SUBJECT MATTER

Stating that the scholarship sanctioned in favour of Colin Meiklejohn to be debited to 16 Genl Administration from expected savings is impossible to do, and the office cannot suggest the source for re-appropriation

possible for this office to suggest the source for reappropriation as none of the heads under the General Administration except that of my office is under my control. If I am to make any transfer of funds, I can only do so on formal reappropriation statements from the heads of departments concerned. Moreover there was not sufficient time for me to ascertain whether the payment sanctioned by Government would actually be made by Messrs. Coutts & Co. before the close of the year and all such payments are dealt by me in the annual appropriation report. Under these circumstances, I thought that no report was necessary from me.

I have the honor to be,

Sir,

Your most obedient Servant,

H. Eagles

H.M. Comptroller.
